

To retake supply and demand econ test:

1. Complete packet.
2. Complete these supplemental questions:

What is demand? What is quantity demanded?

What is supply? What is quantity supplied?

What is the only thing that changes Q_d and Q_s ?

List the PINT factors that shift the D curve and give an example for each.

List the PEST factors that shift the S curve and give example for each.

3. Meet with Rush to go over test, show him packet and supplemental questions, and teach him about demand and supply.
4. Retake test.
